Re: Aztec Capital Partners, Inc. (ACP)
WNWR(AM), Philadelphia, PA
Facility Identification Number: 1027
Special Temporary Authority (STA)
BESTA-20211014AAC

Dear Mr. Trujillio:

This is in reference to the request filed on October 14, 2021. ACP requests a final extension of the STA granted on February 21, 2020, to continue operating using the existing WHAT tower and the facilities specified in BP-20190201AAO with reduced daytime power to allow time to file the required FCC Form 302 application.¹ In support of the request, ACP stated that additional time will be needed to install the daytime 10 kW transmitter and file the application before the permit expires on April 30, 2022.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and ACP may continue to operate with the facilities specified in BP-20190201AAO using a reduced daytime power of 1.2 kW, along with the authorized 1.2 kW critical hours and 0.007 kW

¹ WNWR(AM) is licensed for DA operation on 1540 kHz with 50 kW day and 0.25 kW night, and BP-20190201AAO authorizes ND operation using the WHAT tower with 10 kW day, 1.2 kW critical hours, and 0.007 kW night.

nighttime power levels. ACP must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310. ACP must submit an e-mail to my attention to verify the application was filed before the construction permit expires on the date shown below..

This authority expires on **April 30, 2022.**

Sincerely,
