Amador S. Bustos, President/Manager Bustos Media Holdings, LLC 5110 S.E. Stark St. Portland, OR 97215

> Re: Bustos Media Holdings, LLC (BMH) KGDD, Portland, OR Facility Identification Number: 71752 Special Temporary Authority (STA) BESTA-20211018AAA

Dear Mr. Bustos:

This is in reference to the request filed on October 18, 2021. BMH requests a further extension of the STA granted on July 13, 2017, to continue operating from an alternate site to allow time to file the required FCC Form 302 application to cover BP-20190213ABJ before it expires on April 17, 2022.¹ In support of the request, we noted that BMH is uncertain if it will be able to obtain permission from the license of KBPS to relocate to their existing tower as authorized by the permit.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and BMH may continue to operate with the following facilities:

Geographic coordinates Frequency Hours of operation Operating power Antenna type Efficiency 45°31' 09"N, 122° 36' 32" W (NAD 27) 1150 kHz Day and Night 0.01 kW maximum Whip antenna (18 feet in length) 24.7 mV/m/kW/km

¹ KGDD(AM) is licensed for ND operation on 1150 kHz 5 kW (day) and 0.01 kW (night), and BP-20190213ABJ authorizes ND operation using the existing KBPS tower.

BMH must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. See 47 CFR §1.1310.

This authority expires on April 17, 2022.

Sincerely, R Joseph Szczesny, Engineer Audio Division
